Family Discussion Questions:

1) Jill spends 2 hours cutting out paper snowflakes for a school project. Later, her mom accidentally throws them all away! When her mother apologizes, Jill yells at her, goes to her room and slams the door. **How is Jill handling this situation in the wrong way?**

2) There are times when we all do wrong things. No matter what we do, God's love for us never changes! However, there are still consequences for those wrong choices.

Do you think God loves us MORE when we do the right thing?

It pleases God when we make good choices and honor Him, but HE doesn't love us more. His love for us is unchanging!

3) **Can you think of some ways God shows His love for you?**

God shows His love for us in so many ways. The greatest way was sending Jesus to take the punishment for all the wrong things we do!

4) **Is there anything we could ever do that would make God stop loving us? God promises to always love us, and HE keeps His promises!**
